### Grad Sermon Dated June 3

Rev. W. H. Traub Will Address Gowned Seniors at Kountze Memorial.

Baccalaureate services for the graduating class will be held Sunday, June 3, at the Kountze Memorial Lutheran church, Farnam street and Twenty-sixth avenue.

Rev. Walter H. Traub will deliver the sermon. Seniors will attend in their caps and gowns.

The speech department of the University will hold a recital Monday evening, June 4, in the University auditorium.

Mrs. Catherine Phillips and Sylvan Frankel will give a cutting from Shakespeare. Other students who will give readings are Miss Myra George, who will give "A Man in His Father"; Miss Martha Hertzog, "The Song of a Shirt"; Miss Jeanne Ross, "Rest Cure"; and Mrs. Norene Denton, "Waiting for the Train." Miss Virginia Long and Miss Jane Eppelen will give a cutting from Shakespeare.

A play, "White Dresses," will be presented under the direction of Mrs. Jean Jarmin, dramatics instructor.

Another event on the closing schedule for the semester is an alumni banquet on June 6.

Last Friday was senior recognition day. Seniors were excused from classes all day. Other classes were dismissed at 12 o'clock. The seniors held a picnic at noon at Miller Park. Following this some of them drove to Fontenelle Park to witness the Freshman activities. Others scattered about the city on various pursuits.

In the evening the seniors were honored by the juniors at a banquet at the Tudor Arms tea room. The banquet was followed by an all school dance in the gym.

The instrumental trio will play for the Gala Day dances and the May queen procession today at Peony Park.

### Figure Relief Wages Total

Pay Checks for Month of May Will Be Ready June 1, Says Crenshaw.

Money paid for FERA students up to date amounts to \$1,806.42, L. D. Crenshaw, bursar, said this week. That sum does not include salaries for the month of May. Probably about \$1,000 more will be paid before the end of the semester.

Checks for FERA work done in May will be ready by June 1. Students were requested to complete their work by May 23 this month, in order to enable them to make up some of the hours missed in February. Although a few students completed their work in February, most of them, because of lack of time, were unable to do so.

Students were allowed to earn \$60 during the course of the semester. This amount was computed by allowing a maximum of \$15 to be earned each month for four months. The minimum which a student must earn was \$10 each month.

### Select 3 Council Members At Poll

Three new Student Council members will be selected and an amendment to the Student Council constitution voted on at an all-University election in the men's faculty building next Monday, between the hours of ten and two o'clock.

The amendment, as introduced by Dick O'Brien and Franklin Buxton and amended by the Council, calls for the election of four representatives at large from members of the sophomore, junior and senior classes to replace the present Barb and Pan-Hel representatives.

Nana Davis will give a dramatic recital June 6.

### 61 Seniors Give To Dunlap Fund

Harvel Barnes, Treasurer, Reports Most of Class Anxious to Contribute.

Sixty-one members of the Senior class have contributed fifty cents each to the A. J. Dunlap memorial fund, according to Harvel Barnes, class treasurer. Other members of the senior class are expected to hand in their contributions before commencement day to make the class one-hundred per-cent in respect to the memorial fund.

The proceeds of the A. J. Dunlap memorial fund will be used to place a silver plaque of Mr. Dunlap in one of the new University buildings. Mr. Dunlap was formerly head of the business administration department and was instrumental in making Omaha university a municipal institution. He died while on a fishing trip in Minnesota, in August, 1932.

In collecting the fund Barnes was assisted by a committee consisting of Mrs. Ida Seesko, Charlotte Fetterman, Lawrence Hall, and Florence Schnackel. The committee reported that students were eager to give to the memorial fund as most of them were personally acquainted with Mr. Dunlap and knew the part he played in building up Municipal University.

Because of economic reasons a few graduates were unable to contribute to the memorial fund, Barnes said.

Dr. T. Earl Sullenger, head of the Department of Sociology, attended the National Conference of Social Work held in Kansas City, Missouri, May 20-22.

### James Peterson In Violin Recital

**A BOOST**

(Omaha World-Herald)

THE news that 85 persons, comprising the largest graduating class in its history, are candidates for degrees this June at the Municipal University of Omaha, is ample evidence of the vitality of the institution. More than one-fifth of this class have taken their work by extension or in evening classes, another indication of the flexibility of the courses in supplying a definite demand for higher education.

"The demand for the university courses is being met in spite of the handicap of a campus very much restricted as to physical plant. This lack will be satisfied if federal co-operation is obtained for building a new campus—a hope that is still bright.

"The first asset of a university is the faculty. President Sealock of the Municipal university is gathering about him a group of intellectually adventurous men and women who are serving the students well. The city as a whole should be, and evidently is, well pleased with the progress of the institution on North Twenty-fourth street."

Now that the university building plan has the approval of Lincoln and Washington, some one ought to speak to Hamilton.

**MALE TRIUMPHS**

THE local chapter of Sigma Tau Delta has elected its first male president. Charles Horejs is the man honored. Without any reflections on the ability of the women who have headed this honorary literary organization, we feel certain that the election of a man was a wise move.

No matter how lusty and virile the group may be, a literary society headed by a woman is likely to seem to outsiders pretty much a pink tea affair. Sigma Tau Delta is definitely not pink tea-ish, as those who have been privileged to attend its meetings are well aware. If there are any false impressions at large upon the campus, the election of Mr. Horejs as president will surely correct them.

By HOWARD WILCOX

We saw Professor Blank leaving the faculty building by the back door yesterday afternoon. He had his golf clubs. We asked him what was up.

"I'm going out and shoot more birdies than a sniper in a bird reserve," he said coyly. What about classes, we query?

"Classes? I thought vacation had started." He displayed a dollar bill. "It has started, hasn't it?"

We check the dollar with the marked money report on the latest kidnapping. It's O. K. "Sure," we agree. "Vacation started last week."

"Tomorrow the university is holding a big silver jubilee," we remind him. "It's the twenty-fifth year of the institution. How about a statement?"

"There's a mistake somewhere," says Blank. "The school must be older than that. My son's a junior here."

"I'm proud of my two sons. The other one is a sailor and has a girl in every port. This one has a girl on every davenport."

"Last week he issued a report on Rules of Behavior. It's a scoop for you."

He proffered us the report, typewritten on the back of a Hash House waffle.

**RULES OF BEHAVIOR**

By Mount Blank

1. If you stay home nights, you will be in the pink of condition. If you go out, the elephants on the wall will be in the pink.  
2. Too much lipstick is disgusting. It leaves a bad taste in the mouth.

3. Don't be satisfied with any walk of life. Insist on riding.  
4. Don't stag after you stagger.

"You can take that along and publish it," promised the professor. "But don't destroy the waffle. Mountie has to return it to the Hash House."

As a parting shot, we asked him if he thought the barbecue would be a success. He said, "Sure! But how are they going to barbecue fish?"

"Unique Entertainment Event" Utilized by J. C. of C. to Raise Funds for Charity

A unique entertainment event, "Omaha Play Day", to be held in connection with Krug Park's opening this Saturday, will enable the Junior Chamber to "kill two birds with one stone", according to President Richard W. Koch of the J. C. of C.

"By the very liberal arrangement for use of all rides and amusement facilities and the ballroom which we were able to make with the park management, we not only can earn some money for our convention, civic activity and charity fund, but also we can give Omahans a chance to have a real day's outing at very small cost", Koch declared Saturday.

Under the Junior Chamber's plan, a 40-cent ticket, plus 10 cents park admission, entitles an adult to dance and ride all day

**Senior Class Receives Letter From Dunlaps**

A letter of appreciation from the family of Mr. A. J. Dunlap has been received by Jay Planteen, president of the senior class, thanking the class for their thoughtfulness and regard for Mr. Dunlap's work. The letter follows:

Dear Class:

"We deeply appreciate your kind thoughtfulness and regard for Mr. Dunlap's work by adding to the memorial fund. We wish success and happiness to each one of you.

"Sincerely yours,

Mr. and Mrs. S. C. Dunlap  
and Family."

**Vera Kriss Receives Women's Scholarship**

Vera Kriss, '35, has been awarded the University Women's club annual scholarship, Mrs. Mildred Gearhart, chairman of the scholarship committee of the club announced Wednesday.

The scholarship is awarded annually to the girl who has overcome the most difficulties in achieving a college education and who at the same time has maintained a high scholastic standing.

The committee which selected Miss Kriss was composed of the following members: Mrs. Mildred Gearhart, chairman; Miss Pearl Schaefer, and Mrs. Irwin A. Hammer.

Saturday, according to Carl Snider, chairman of the committee in charge. Children get all park privileges, including admission, for only 25 cents.

Tickets for "Omaha Play Day" may be obtained from any member of the Junior Chamber, at the J. C. of C. offices at 1707 Woodmen of the World Building or at the Unit-Dosekal drug store, 17th and Farnam streets. The same prices also will prevail at the park throughout the day, Saturday, beginning at 1:00 p. m., Snider says.
